Honourable Norm Weiss
Minister of Recreation and Parks
107 Legislature Building
EDMONTON, Alberta
T5K 2B6

Sir:

As required by Section 12(2) of the Recreation, Parks and Wildlife Foundation Act, I submit herewith the Ninth Annual Report of the Foundation covering the period from April 1, 1985 to March 31, 1986.

This report is required to be laid before the Legislative Assembly as provided for under Section 12(3) of the Act.

Respectfully submitted,

J. Sherrold Moore
Chairman
/lmb

NINTH ANNUAL REPORT OF
THE RECREATION, PARKS AND WILDLIFE FOUNDATION

The Foundation was established by Chapter 49 of the Statutes of Alberta, 1976, with the objective, as set out in Section 3 of the Act, of providing the opportunity to interested persons, corporations and organizations to donate or bequest real or personal property to be used for:

(a) the development or maintenance of recreational programs, services and to a lesser extent, facilities;

(b) the development or maintenance of parks;

(c) the management, conservation or preservation of fish and wildlife.

The Foundation is an agent of the Crown in the right of Alberta and thus gifts to the Foundation qualify for the maximum benefit under Paragraph 110 (1) (b) of the Income Tax Act (Canada).

The other main objective of the Foundation is to provide grants to any individual, organization or educational institution for creative, innovative and unique projects or activities which will complement, rather than duplicate existing programs and services in Recreation, Parks and Wildlife in the Province.

Membership consists of not more than 12 persons appointed by the Lieutenant Governor in Council. As at March 31, 1986 the following persons were members of the Foundation.

Sherrold Moore, Calgary (Chairman)
Dave Gould, Banff
Glen Semenchuk, Edmonton
Maury Van Vliet, Jr., Spruce Grove
Julian Nowicki, Edmonton

Bob Stewart, Stettler
Hugh Gillard, Okotoks
Ralph Pinder, Redcliff
John E. Thorpe, Calgary
Gerry Howis, Manning
Christina Jones, McLennan
James Todd, Red Deer

The responsibility of the Foundation to provide grants in Alberta can be divided into two main areas. One being the regular quarterly applications received for innovative projects in the broad areas of Recreation, Parks and Wildlife and the second is the provision of enrichment funding for 33 province-wide Recreation Associations.

Under the regular quarterly grant system, 372 applications were received during the period from all parts of the province for a total requested amount of $9,242,395.00 (Appendix A). For the same period, 33 Recreation Associations requested a total of $1,608,000.00 for enrichment funding to enhance leadership and participation opportunities for all Albertans.

The bank balance of the Foundation at the beginning of the year was $3,001,616.00. During the year the Foundation received $2,762,500.00 as a recipient of a share of the net profits of Alberta Lotteries, $118,360.00 in private and corporate donations and earned $281,909.00 in interest for a total revenue of $3,248,029.00 including an administrative grant from the Province of Alberta, Department of Recreation and Parks.

Expenditures for the year totalled $4,890,748.00 including 260 grants awarded to innovative projects within the province amounting to $3,616,173.00 (Appendix B) and leadership and participation grants awarded to 33 province-wide Recreation Associations amounted to $959,661.00. The total of unexpended funds at the end of the year was $1,358,897.00.

Under Section 2 of the Recreation, Parks and Wildlife Foundation Act, the Auditor General is the auditor of the Foundation. The Auditor General examined the Balance Sheet of the Foundation as at March 31, 1986 and the Statement of Revenue, Expenditure and Unexpended Funds for the period ending on that date and has given a report to the members of the Foundation stating that in his opinion "these financial statements present fairly the financial position of the Foundation as at March 31, 1986, and the results of its operations for the period then ended in accordance with generally accepted accounting principles."

A copy of the Balance Sheet and of the Statement of Revenue, Expenditure and Unexpended Funds for the period from April 1, 1985 to March 31, 1986 appear as Statements A and B attached to this report.

ALBERTA LEGISLATURE

OFFICE OF THE AUDITOR GENERAL

AUDITOR'S REPORT

To the Members of The Recreation, Parks
and Wildlife Foundation

I have examined the balance sheet of The Recreation, Parks and Wildlife Foundation as at March 31, 1986 and the statement of revenue, expenditure and unexpended funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances, except as explained in the following paragraph.

In common with similar organizations, the Foundation derives donation revenue, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of this revenue was limited to the amounts recorded in the records of the Foundation and I was not able to determine whether any adjustments might be necessary to donation revenue, excess of revenue over expenditure, assets and unexpended funds.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of donation revenue referred to in the preceding paragraph, these financial statements present fairly the financial position of the Foundation as at March 31, 1986 and the results of its operations for the year then ended in accordance with the disclosed basis of accounting, considered appropriate in the circumstances, as described in Note 2 to the financial statements applied on a basis consistent with that of the preceding year.
